## DYSPEPSIA!!

### A Sure Remedy. Properly Cooked Food. An Ounce of Prevention Better than a Pound of Cure.

One great evil of this city is a certain fiendishness displayed by restaurant keepers in the manner in which they slap victuals together and throw the same at their customers.

Worse by far than a certain Nevada Eating House where a tramp was in the act of walking out without paying. The irate cashier violently seized a pie crust, took deadly aim, and brought down the unfortunate free luncher, badly cut about the head. The Grand Jury afterwards held the cashier to answer for assault with a deadly weapon. Take for instance a Honolulu Hash Factory doughnut when cooled off. A leaden bullet is no where in comparison; then again some of the HOT CAKES would prove unworkable for mending old shoes and will stretch further than any rubber band ever made. From all such, etc., deliver us,

The above named instances of cooking depravity are much to be

A recent change in the Proprietorship of the ASTOR HOUSE (at all times famous for good grub) enables the management to greatly facilitate the suppression of such villianous systems of careless cooking which tend in such a marked degree to destroy the Human Digestive organs. Upon all occasions it will be found a real luxury to step into our Dining Parlors (no flies) and there partake of a savory meal cooked by our Champion Chef.

Every morning Boarders and Transient customers may order German Pancake, Tender Loin, Porterhouse, or Sirloin Steak, with or without onions, Prime Ham and fresh eggs Royal Breakfast Bacon, Fish every day, Rib Mutton Chop (none but the best of material used.) The midday bill of fare as published on the Bulletin Board is something that everybody should read and inwardly digest. For supper we supply in addition to the substantial goods. Sponge cake, Ice cream, Jellies, Fruit, and various other dainties. Some of our would-be competitors are surprised to know how we can sell 21 meal tickets for \$4.50. And in our elegantly appointed private dining room only charge 35 cent for meal.

The secret may easily be given away: the ASTOR HOUSE is centrally located and doing a large Transient cash trade. Meals at all hours produces a constant flow of ready money, thereby enabling us to go out to the market and buy at reduced rates for cash. Our patrons receive the full benefit of this superior system of dealing. All who have not yet experienced the luxury of eating at the Astor House can now come right in and be made welcome at the oldest established Dining Rooms in the Hawaiian Kingdom. 35-1 mo.
